### First Word Search Reading Made Easy

My daughter had just really gotten good at reading when I started these with her. They are a bit more difficult than some of the other early reader word searches. First word search is a stretch, second or third maybe.

### First Word Search: Reading for Beginners: LaCoste, Gary ...

Not a "first" word search or "first words". Not meant for small kids. Not at all. The words run in all directions. Top to bottom, Bottom to top, left to right, right to left, diagonal...Not a good idea for a child who is learning the basic concept of writing English from left-to-right and reading in the same direction as how the word is written.

### First Word Search: Easy First Words: Harpster, Steve ...

Not "First" words by any means. This is a very good book for an older child but being that the title was Fun "First" word search and the cover pictures 3 and 4 letter simple "first" words going only horizontally and vertically I assumed that it would be a good word search for a 6 year old, it is not at all.
